WHOLESALE PRICE LIST Fall 1958 - Spring 1959

Our terms are cash, for which we give a 10% discount. Add 10% to the cost for orders of less than 5 of one variety.

As we do not have adequate protective facilities for wintering over, we regret that we cannot accept fall orders for spring delivery of Broadleaved Evergreens. This spring, we shall be pleased to check your want lists and supply your needs with the stock which is still available.

LOCATION. Our office and growing grounds are located $1\frac{1}{2}$ miles southeast of Olympia on Highway 5-I (Yelm Highway). Turn east off of Highway 99 at the Olympia Brewery.

HOURS. We are closed on Sundays except by previous appointment, as we have help to dig stock only during the regular business hours. However, with advance notice, we can arrange to have orders dug for evening or Sunday pickup.

SHIPPING. We can crate and ship only Bare Root items. The hardier conifers can be shipped B & B by auto freight. We can often arrange delivery to the Seattle-Tacoma area with our own truck. Otherwise, we request that the shrubs be selected and picked up here at the Nursery.
